He brought light out of darkness, not out of a lesser light, and he can bring thee summer out of winter, though thou hast no spring, though in the ways of fortune or understanding or conscience thou have been benighted till now, wintered and frozen, clouded and eclipsed, damped and benumbed, smothered and stupefied till now. Now God comes to thee, not as the dawning of the day, not as the bud of the spring, but as the sun at noon...All occasions invite his mercies, and all times are his seasons."

John Donne
