

Time to register your children, grandchildren, and neighbor children for Vacation Bible School! You may pre-register by mail with the form from our web site, at the church office, in the narthex on Sunday, July 11 or 18 after either service, or at the pavilion on July 19 (come early!) All pre-registered children need only to pick up a name tag before joining their group.

2010 Vacation Bible School
United Methodist Church of Ludington
Baobab Blast: God's Great Get-Together

July 19 – July 23, 5:30 – 7:30 PM
Church Pavilion, 5810 Bryant Road, Ludington
Ages 3 through completed 5th grade

Join us for supper, Bible lessons, crafts, music, recreation and Puppets of Faith.

Children need to be at the pavilion promptly at 5:30 for the blessing and meal. Please leave your vehicle in the parking area and walk the younger children up to the pavilion. (Preschool parents are encouraged to help younger children through the supper line, but food has been planned for the staff and children only. Thank you for understanding.) Parents are invited to return at 7:15 for announcements, puppets, and closing songs. Students will be dismissed at 7:30.

Mission Project: *Since 1995 more than 22 thousand PETs (Personal Energy Transportation) have traveled to 86 countries to provide mobility, dignity, hope, and even the ability to work and provide for their families to 22,335 leg-handicapped persons. This number includes child-size PETs. For folks without sufficient coordination or upper body strength to operate a hand-cranked PET, the adaptable vehicle is now available in push-PET and pull-PET models.*

PETs are in use in 36 African countries. In just the countries of Zambia and the Congo there are 4,400 people on a waiting list for a PET. Following the VBS African theme, we would like to continue our support of this program. Let's build one or two together! (Lumber for one PET \$22, a solid tire \$36, crank assembly \$18, etc.)

** If mosquitoes might be a problem, you may wish to use repellent on your children before dropping them off at the pavilion. If the weather looks threatening, we will move into the church for VBS.*

With questions please call Betty Tabor (845-5972) or Karen Disegna (843-6841).
